It's time to put your order in for the 2008 edition of the annual *National Lawyers Guild Referral Directory*. The 2008 Referral Directory is the only directory of its kind. The NLG Referral Directory contains:

- Detailed listings and ads from legal professionals around the country specializing in a variety of concentrations, from civil rights and criminal defense cases to family law.
- Listings sorted by both location and by specialization, making it easier to find what you are looking for.
- Contacts for every active NLG chapter, plus student contacts at dozens of law schools.
- Listings for NLG Committees working on issues such as police accountability, immigration, labor law, international law and much more.
